### Trangia Stormkök serie 27 Ultralight

PotPal™ Bag - Small\*

27-serien erbjuder kök som passar bra för ensamvandrarerna eller 2 personer. Kokkärlen är mindre och kaffepannan dimensionerad därefter. Ett litet, kompakt kök som kräver minimalt utrymme i ryggsäcken. Även här går det att komplettera med större lägerkittlar som kan ställas på de uppfällda hållarna i det övre vindskyddet. Alla kök i 27-serien innehåller två st 1 liters kittlar, en graderad och en ograderad, en 18 cm stekpanna, vindskydd (övre och undre), brännare, tång samt rem. Dimension 18,5 x 10 cm.

### Trangia Stormkök serie 25 Ultralight

PotPal™ Bag - Med\*

Series 25 includes somewhat larger stoves suitable for groups of about 3-4 people. They are excellent family stoves with capacious pans, a wider frypan and a larger kettle. With the supports in the raised position, the stove can be used with large billies from the rest of the Trangia range. All the stove systems in the 25 series have two saucepans (1.75 and 1.5 litres), a 22 cm frying pan, windshields (upper and lower), a burner, a pan grip and a strap. Dimensions 22 x 10,5 cm.

### Tundra

As a complement to our stoves we have produced a new set without a burner, designed to suit gas stoves. The pans and frypan have milled bases so they do not slip on the gas stove.

This set is ideal for boats, caravans or holiday cabins. Tundra is available with a practical lid that fits both pans. Dimensions 20x9.5 cm.
